

## Rotary Salutes Veterans in Patriotic Program

By **TIM COLWELL**

*GasserOnline Correspondent*

Rotarians were given a rare treat at the annual Veterans Day program on November 11 when three new Army recruits were sworn into service.

Rotarian **Vic Bailey** then led the salute to the various branches of service in our traditional Veterans Day program. Past members of the Armed Forces stood and were recognized as the service anthems for each branch - Army, Navy, Air Force, Marines and National Guard - were played.

It was a day of patriotism as Rotary recognized the dedication of our Rotarian service people.
